MARKET STUDY: VILLAGE OF RYE BROOK

900 King Street (approved senior campus) · Westchester County, NY · 211 units (126 IL · 85 AL) · 17.3 acres

Finding: Demand supported; rent and Erickson are the risks. Rye Brook sits in the wealthiest market of the five: weighted 65+ household income of about $115,000, with Purchase, Armonk, Scarsdale and backcountry Greenwich well above that. The 85 AL units need about 10% of unmet demand, and the 126 IL units about 10% of IL demand. But licensed AL beds in the market report about 75% occupancy, recent openings have leased slowly, and Erickson's proposed 834-unit campus in the same village would take most of the IL headroom.

1 · PRIMARY MARKET AREA

About 7 miles (15 minutes) on I-287 and I-95: Rye Brook, Port Chester, Rye, Harrison and Purchase, Mamaroneck, White Plains, North Castle, Scarsdale, Greenwich and west Stamford. The site sits at the I-287 / Hutchinson / King Street junction on the Connecticut line. Greenwich is part of the same market (backcountry Greenwich is minutes away); Long Island Sound is the south edge. Only the western half of Stamford is counted.

Population: 2020 Census, rounded. 75+ by town is the county's 75+ share applied to town population, which understates affluent suburbs. 65+ medians: ACS 2024 5-year by ZIP, weighted by estimated 75+ population.

2 · AGE 75+ DEMOGRAPHICS AND INCOME QUALIFICATION

Age 75+ in the PMA (town method × 1.49 calibration)	**37,762**
Conservative case: town method, uncalibrated	25,298
75+ households (0.67 per person)	25,300

Share of 65+ households with income ≥ $75,000 (≥ $100,000 · ≥ $150,000)	65% (55% · 41%)
Income-qualified 75+ households (≥ $75,000, before home equity)	**16,503**
IL-qualified 75+ households (≥ $100,000)	13,958

Census tract tables could not be pulled for this study, so 75+ counts are scaled from the town method by the ratio observed at Florham Park (1.49x), where both are available. Income shares come from ZIP-level 65+ medians, converted with an income spread calibrated to Florham Park's tract data (it reproduces 61.9% at $75,000 within half a point). A $75,000 floor with home equity supports roughly $9,000–10,000 a month of AL for 4–5 years in markets with $550,000+ home values.

Source: NYS DOH Adult Care Facility quarterly statistical report, 2026 Q2 (certified beds and census); Caring.com for Greenwich and Stamford (capacities estimated). "est." marks ATCO estimates where capacity is not published. Census is residents reported to DOH against certified beds; certified beds exceed operating units, so this understates unit occupancy.

5 · DEMAND, PENETRATION AND CAPTURE

	BASE	CONSERVATIVE
AL/MC demand at a 10% need rate ÷ 75% PMA share	2,200	1,474

Capture at a 12% need rate	7%	20%
Penetration today (existing + pipeline ÷ qualified households)	8.1%	
Penetration with this project	8.7%	

Benchmarks: lenders want project capture under 10–15% for AL/MC and treat over 25% as a red flag; AL penetration of 6–10% of qualified households is typical of mature markets. The conservative case uses the uncalibrated town method.

NEED RATE (SHARE OF QUALIFIED 75+ HOUSEHOLDS NEEDING AL/MC)	8%	10%	12%	14%

6 · INDEPENDENT LIVING DEMAND (LIFE-PLAN CAMPUS)

IL-qualified 75+ households (≥ $100,000 income, before home equity)	13,958
IL demand at 10% (12.5%) propensity ÷ 65% PMA share	2,147 (2,684)
Less existing IL / CCRC units in the market (est.)	−830
Capture needed for 126 IL units	**10% (7%)**
Capture if the 834-unit contingent campus is built (high propensity)	12%

IL supply: The Osborn (IL, CCRC) 300 (est.); Broadview at Purchase College (LCS, CCRC) 220; Waterstone at High Ridge (IL) 80 (est.); Edgehill (CCRC) 150 (est.); Atria Stamford (IL) 80 (est.). Lenders look for IL capture under 15–20%.

8 · ABSORPTION

As an entrance-fee campus, the test is presales: 70% of IL reserved before construction. River's Edge in Riverdale shows deep presale demand for a well-capitalized nonprofit sponsor in this region; the comparison is to the sponsor model, not to its numbers. The AL wing at $11,550 should be underwritten with a 30-month fill, not 24. Implied pace for the AL/MC wing: about 3.2 net move-ins a month to 91% occupancy in 24 months.

9 · FINDINGS AND NEXT STEPS

- The model's $11,550 AL rate is about 18% above the Class A median ($9,800), at the top of the 15–20% band CBRE gives for new product. Only The Ambassador at Scarsdale has listed higher.
- Brightview Harrison opened in November 2024 and reported 71 of 99 beds filled in mid-2026, about 3.7 a month. High Point at Broadview (an LCS campus) reported 20 of 68 after about 16 months.
- If Erickson's 834 units go ahead, IL capture at the high propensity case rises from about 7% to about 12%, still workable, but the two campuses would presell to the same households at the same time.
- Sunrise is already the contract vendee at 900 King Street, so ATCO's path is fee development or GC with a nonprofit sponsor, not ownership.

1. Track Erickson's SEQRA review; a denial or downsizing is the single biggest swing in this study.
2. Rate shop The Ambassador, Brightview Harrison and Waterstone, including IL monthly fees.
3. Keep the role to fee development and GC unless a nonprofit sponsor signs.

METHOD, SOURCES AND LIMITS

Demand follows the standard AL/MC method: income-qualified 75+ households × share needing help with daily living ÷ share of move-ins from the PMA, less existing and pipeline competitive units (see /method). National context: NIC MAP reports senior housing occupancy above 90% in 3Q26 and the fewest units under construction since 2012; CBRE's H1 2026 survey puts Class A AL cap rates at 6.5% and says new development needs rents 15–20% above market. **NIC MAP PMA data (property-level occupancy, rents and pipeline) is not available to ATCO**; occupancy above comes from New York State DOH filings where they exist. CoStar was not used. Census API access was not available, so 75+ counts outside Florham Park are estimates calibrated to Florham Park's tract data. Every [est.] figure should be replaced by a NIC MAP pull or a third-party study before LOI. ATCO is not affiliated with RiverSpring Living; RiverSpring is referenced only as the inspiration for the program.
